Sociology of Marriage and the Family: Gender, Love, and Property Scott L. Coltrane, Randall Collins

This sociological analysis of the system of marriage and family focuses on the family as an institution in society. It uniquely encompasses many facets of society, and students are able to learn about family seen through a cultural and historical perspective. The book sets a high conceptual standard, but uses informal writing and minimal jargon. It presents the perspectives of critical and questioning academics (feminists, progressives, anti-racists, independent-thinkers, cross-disciplinary types, etc.) within a scholarly, well-researched text. It addresses a host of real world issues and practical concerns.
