Daniel Kraus

The Death and Life of Zebulon Finch, Volume One: At the Edge of Empire Daniel Kraus

A murdered teen is resurrected to walk the earth for centuries in this sweeping historical epic in the spirit of *The Astonishing Life of Octavian Nothing* and *The Curious Case of Benjamin Button*, from the author of *Rotters and Scowler*.

May 7, 1896.

Dusk. A swaggering seventeen-year-old gangster named Zebulon Finch is gunned down by the shores of Lake Michigan. But after mere minutes in the void, he is mysteriously resurrected.

His second life will be nothing like his first.

Zebulon's new existence begins as a sideshow attraction in a traveling medicine show. From there he will be poked and prodded by a scientist obsessed with mastering the secrets of death. He will fight in the trenches of World War I. He will run from his nightmares—and from poverty—in Depression-era New York City. And he will become the companion of the most beautiful woman in Hollywood.

Love, hate, hope, and horror—Zebulon finds them. But will he ever find redemption?

Ambitious and heartbreaking, *The Death and Life of Zebulon Finch, Volume 1: At the Edge of Empire* is the epic saga of what it means to be human in a world so often lacking in humanity.
