## The Thunder of Giants: A Novel Joel Fishbane

The year is 1937 and Andorra Kelsey – 7'11 and just over 320 pounds – is on her way to Hollywood to become a star. Hoping to escape both poverty and the ghost of her dead husband, she accepts an offer from the wily Rutherford Simone to star in a movie about the life of Anna Swan, the Nova Scotia giantess who toured the world in the 19th century.

Told in parallel, Anna Swan's story unfurls. While Andorra is seen as a disgrace by an embarrassed family, Anna Swan is quickly celebrated for her unique size. Drawn to New York, Anna becomes a famed attraction at P.T. Barnum's American Museum even as she falls in love with Gavin Clarke, a veteran of the Civil War. Quickly disenchanted with a life of fame, Anna struggles to prove to Gavin – and the world - that she is more than the sum of her measurements. Both meticulously researched and resounding with the force of myth, Joel Fishbane's *The Thunder of Giants* blends fact and fiction in a sweeping narrative that spans nearly a hundred years. Against the backdrop of epic events, two extraordinary women become reluctant celebrities in the hopes of surviving a world too small to contain them.
