Including the Oxford Handbook of Clinical Medicine and the Oxford Handbook of Clinical Diagnosis, this accessible pack is the ultimate guide to the practice and philosophy of medicine and the diagnostic process, aiding those who wish to improve their diagnostic performance and to learn more about the diagnostic process.

Now in its ninth edition, the Oxford Handbook of Clinical Medicine continues to be the definitive pocket-friendly guide to medicine. The culmination over 25 years of experience at the bedside and in the community, this handbook is packed with practical advice, wit, and wisdom.

The Oxford Handbook of Clinical Medicine presents clinical information in a clear way that makes it easy to revise, remember, and implement on the ward. It gives reliable advice on what to do, when to do it, and how to do it, with clinical photographs and diagrams that bring theory to life. Uniquely for a medical text, this book weaves history, literature, art, and philosophy into its survey of medicine, casting new light on the specialties and encouraging the reader to see beyond the practical aspects of medicine and adopt a patient-centred approach to care.

Every chapter has been written with supervision from experts in each field to ensure accuracy, and updated to reflect relevant guidelines from the NHS, NICE, the Resuscitation Council and other key professional bodies.

Now revised for its third edition, the Oxford Handbook of Clinical Diagnosis provides a concise and practical summary of the reasoning processes behind clear and confident diagnosis. The handbook is set out systematically with symptoms and signs through each specialty, and includes a detailed description of the basis of logical evidence-based differential diagnosis.

This new edition has been updated with clearer diagrams and brand new images. Including rarer diagnoses alongside the common conditions, and vital information about longer-term management alongside the initial treatments, this handbook will ensure your excellence and confidence no matter what signs and symptoms your patient presents with. Providing practical help when dealing with problems outside your area of expertise or with unforeseen situations, you can be sure that this handbook will be your perfect companion to clear and confident diagnoses throughout your medical career.

Loved and trusted by generations of doctors, the Oxford Handbook of Clinical Medicine and the Oxford Handbook of Clinical Diagnosis continue to be indispensable companions for the practice of modern medicine.
