The Internal Auditing Handbook

K. H. Spencer Pickett

The Internal Auditing Handbook K. H. Spencer Pickett

This book is a complete guide to the theory and practice of internal auditing. It provides thorough coverage of audit theory while incorporating the real life experiences of the auditor. It covers conventional audit topics as well as many specialist areas such as computer audit, fraud investigations, value for money, managing change and establishing an audit function. It reflects an evolving business world where accountability and corporate governance continue to attract more attention in all sectors of business life.
