According to a recent Time survey, over 70 million Americans believe in communication with the dead. This statistic is reflected in the popularity of supernaturally-themed programs such as Medium, Ghost Whisperer, and Crossing Over with John Edward. It is clear that many people, believers and non-believers alike, do not understand what the Bible teaches about communication with the dead. Demons in Disguise biblically proves not only the impossibility of communicating with the dead, but that the demonic are masters at impersonating dead loved ones. Author Steve Wohlberg gives a fascinating and detailed look into the lives of several psychic experts exposing their spirit guides for what they truly are: Demons in Disguise.
