## **Fly Fisherman's Guide to Atlantic Baitfish & Other Food Sources** Alan Caolo

A Fly Fisherman's Guide to Atlantic Baitfish & Other Food Sources is meant to help fly anglers improve their catching ability by showing them the most important food items eaten by the fish they are angling for. By paying proper attention to the size, color and habits of different bait organisms, the saltwater fly angler can "match the hatch," so to speak, which his freshwater counterpart has learned to expertly do. The author relates important and very useful fly tying and fishing suggestions for each food source based on his almost three decades of saltwater angling and observation. With its clear photographs and informative text this volume will enrich your saltwater fly angling adventures for some really big and exciting gamefish!
