ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Intended primarily for Principles of Macroeconomics courses, this text also provides practical content to current and aspiring industry professionals.

Reviewers tell us that Case/Fair/Oster is one of the all-time bestselling POE texts because they trust it to be clear, thorough and complete. Case/Fair/Oster readers also come away with a basic understanding of how market economies function, an appreciation for the things they do well, and a sense of things they do poorly. Readers begin to learn the art and science of economic thinking and begin to look at some policy and even personal decisions in a different way.
