## **Sonatina Album: Comb Bound Book & 2 CDs (Alfred CD Edition)** Kim O'Reilly

Originally compiled and edited by Louis K?hler, this edition contains some of the most popular keyboard sonatas, rondos and other works (including symphonic transcriptions) of Beethoven, Clementi, Haydn, Kuhlau and Mozart, among others. In clarifying this edition, editor Allan Small has removed impractical fingerings and unnecessary accidentals found in other editions. The comb binding creates a lay-flat book that is perfect for study and performance. The Alfred Masterwork CD Editions conveniently combine each exceptional volume with a professionally recorded CD that is sure to inspire artistic performances.

Pianist Kim O'Reilly Newman holds a Master of Music degree from the University of Illinois. She has performed throughout North America and Europe with the Hambro Quartet of Pianos and was an editor and recording pianist for Alfred Music. Kim is a brain tumor survivor and now specializes in performing music for the left hand.
