## **Using German Synonyms** Martin Durrell

This book, designed for students who have already developed a basic competence in German, aims to broaden and improve their vocabulary and is invaluable as a guide to finding the right word for the context. It provides detailed information on groups of German words with related meanings, including examples of usage, English glosses, and regional variations. There are two indexes allowing users quickly to locate words in German or English. The book is an essential reference for undergraduates, teachers of German, and other professional linguists.
