American Foreign Policy: History, Politics, and Policy Daniel S. Papp, Loch K Johnson, John Endicott

American Foreign Policy in a New Era utilizes the three major approaches to foreign policy analysis giving students an opportunity to obtain a comprehensive 360 degree understanding of U.S. foreign policy. Students will use the methodologies of history and diplomatic history to develop an understanding of past U.S. foreign policy and how the United States became what it is today in global affairs; employ a variety of social science methodologies used to explore the forces that shape and influence U.S. foreign policy; and they will engage in policy analysis to study in depth five issues-areas in contemporary U.S. foreign policy.
