Becoming Rich: A Method for Manifesting Exceptional Wealth (A Course in Manifesting) Genevieve Davis

“*The best Law of Attraction books I’ve ever read*” — Marion Page, Ohio

“*Your book has awakened a magical part of me I had forgot existed. I feel reborn. Thank you for coming into my life today*” — Rhonda Laspas, USA

“*Well, Genevieve, I never had much time for ‘Magic’ and all this spiritual guff but you should be proud to hear you have made a believer out of a sceptic*” — Rajeev Marney, UK

Now, in response to huge reader demand, this latest addition to my magical *Course in Manifesting* series turns to the subject of money.

In *Becoming Rich*, you’ll not only learn the precise details of how you can use Magic to transform your entire financial world and start bringing money flowing to you. You’ll also have the chance of winning a sizeable donation to your chosen favourite charity — but I’ll get to this in a moment.

So, why *Magic*?

Only a few years ago I lived in a tiny flat, working twelve hours a day in a factory for minimum wage. Today, I live in a beautiful home by the sea, often earning more in one month than I used to in an entire year.

In this book you will discover the steps that enabled me to turn my financial life around in this amazing, life-changing way.

The change in my financial circumstances was so dramatic, it makes more sense to describe it as involving *Magic* than anything else. And when money starts to come tumbling *your* way in a manner that goes far beyond mere coincidence and luck, you will no longer doubt that Magic exists.

Yet my finances were actually the last thing I mastered ‘magically’. I felt cursed, blocked, financially stuck for ages. But having got things right once or twice, I went on to discover that, even after a lifetime of poverty, money turned out to be the very easiest thing of all to manifest using Magic. And I went on to bring an unbelievable amount of money into my life.

If you’re jaded by the whole New Age Law of Attraction idea, or have become bored by its failure to deliver... this book is for you.

Because this is a *practical* book, offering concrete techniques and instructions for bringing wonderful things into your life. You’re looking at this book because you need money, and it’s now time to bring that money into your life. The plan is to build your knowledge slowly, gradually, building on what has gone before, moving on to more complex techniques only once the basics are mastered.

So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques, trying to create enormous manifestations, trying to manifest huge sums of money off the bat ... but making very simple yet crucial mistakes. When they are disappointed, they imagine they have been duped. The sceptics are right. This is just a load of nonsense. Then they give up, declaring *it just doesn't work*.

But I'm telling you it does work. And you can make it work. This book will show you how.

My intention is make sure that *Becoming Rich* will allow you to become a true creator of your own financial life, reawakening and rekindling your belief and interest in The Law of Attraction, Reality Creation, Cosmic Ordering or whatever you wish to call it.

I prefer simply to call it *Magic*.

But there's a bit more magic to come... Why? Because this time, I'm giving a huge slice of the book's profits back to *you!* (Or, at least, to those you care about.)

For every copy sold, I will put \$1 into a fund, to be awarded to the favourite chosen charity of one lucky reader on 21st December 2015. The more copies sold, the bigger the donation will be. Full details for entering the draw can be found inside the book.

Read *Becoming Rich* and you'll believe in Magic, too!
