Love, honor—and vow to keep the marriage a secret!

Years ago, Heath Langston eloped with Julianne Eden. Their parents wouldn't have approved. So when the marriage remained unconsummated they went their separate ways without telling anyone what they'd done.

Now family turmoil forces Heath and Julianne back into the same town—into the same house. Heath has had enough of living a lie. It's time for Julianne to give him the divorce she's avoided for so long—or to fulfill the promise in her smoldering glances and finally become his wife in more than name only.
