THE BETTY BOOK, Excursions into the World of Other-Consciousness (Timeless Wisdom Collection Book 673) STEWART EDWARD WHITE

While considering the most effective introduction to the material comprised in this book, I submitted the puzzle to a friend whose judgment I value. His letter so fittingly and completely answered my problem that I feel I can do no better than to set it down here.

"I should begin, in effect, somewhat as follows": he wrote me. "This book is the record, condensed, of the excursions of 'Betty,' a psychic intimately known to me and of absolute integrity, into the world of 'other-consciousness' and of communications received by her from forces which I have ventured to call 'the invisibles'. These excursions, made in a condition of trance or otherwise, began in the year 1919 and have continued ever since. They are recorded in the following pages with no idea of adding to the existing literature of automatic writing and kindred phenomena; but in the belief that, as embodying a workable philosophy of life, they may be of aid to seekers after spiritual light."
