War is a Racket: The Profit Motive Behind Warfare Smedley Butler

Smedley Darlington Butler (1881-1940), nicknamed "The Fighting Quaker" and "Old Gimlet Eye," was a Major General in the U.S. Marine Corps, and at the time of his death the most decorated Marine in U.S. history. By the end of his career he had received 16 medals, five of which were for heroism. He is one of 19 people to be twice awarded the Medal of Honor, one of three to be awarded both the Marine Corps Brevet Medal and the Medal of Honor, and the only person to be awarded the Brevet Medal and two Medals of Honor, all for separate actions. He became widely-known for his outspoken lectures against war profiteering, U.S. military adventurism and what he viewed as nascent fascism in the United States. In addition to his speeches to pacifist groups, from 1935 to 1937 he served as a spokesman for the American League Against War and Fascism. In 1935, he wrote the exposé "War Is a Racket," a trenchant condemnation of the profit motive behind warfare.

From reader reviews:

Mary Ybarra:

As people who live in often the modest era should be up-date about what going on or facts even knowledge to make these individuals keep up with the era which is always change and advance. Some of you maybe can update themselves by looking at books. It is a good choice for you but the problems coming to you is you don't know which one you should start with. This War is a Racket: The Profit Motive Behind Warfare is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

John Honeycutt:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The info you get based on what kind of e-book you read, if you want get more knowledge just go with knowledge books but if you want experience happy read one using theme for entertaining including comic or novel. The War is a Racket: The Profit Motive Behind Warfare is kind of book which is giving the reader capricious experience.

Ann Mickey:

A lot of people always spent their free time to vacation or perhaps go to the outside with them family or their friend. Did you know? Many a lot of people spent many people free time just watching TV, or playing video games all day long. If you need to try to find a new activity this is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book you read you can spent the whole day to reading a book. The book War is a Racket: The Profit Motive Behind Warfare it doesn't matter what good to read. There are a lot of people who recommended this book. These were enjoying reading this book. In the event you did not have enough space to bring this book you can buy the actual e-book. You can m00re very easily to read this book through your smart phone. The price is not very costly but this book features high quality.

Gary Wells:

This War is a Racket: The Profit Motive Behind Warfare is great publication for you because the content that is certainly full of information for you who else always deal with world and still have to make decision every minute. This particular book reveal it details accurately using great plan word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but challenging core information with lovely delivering sentences. Having War is a Racket: The Profit Motive Behind Warfare in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen tiny right but this e-book already do that. So , this can be good reading book. Heya Mr. and Mrs. busy do you still doubt that will?
