A Christian Response to Minister Don Piper's 90 Minutes in Heaven and Pilot Dale Black's Flight to Heaven by Robert Alan King is a booklet with approximately 6,000 words. This book explores the claims of these two men to have visited heaven from both a biblical and a logical Christian perspective. They have been examined together because of the striking similarity of structure, flow and order of events between the two stories coupled with other comparable dynamics in the stories themselves. Yet, King also examines the many contrasts between the two stories that prove they both could not have been describing the same place. It shows that though both stories portray heaven as a wonderful place, at least one of them cannot be a genuine account. Robert Alan King is an ordained minister through Calvary Chapel.
