Cartas Marruecas-Noches Lugubres Jose Cadalso

Las Cartas marruecas, publicadas en esta edición y cuyo texto se basa por primera vez en un manuscrito de la Biblioteca de la Academia de la Historia, presentan, bajo el género epistolar, una visión del problema de España cuya historia, sociedad e instituciones se ponen en entredicho desde una dimensión moral. En las Noches lúgubres, por otra parte, Cadalso aclimata en España el llamado género sepulcral a imitación de Young. Todo ello en la que no dudáramos de calificar la mejor prosa del siglo XVIII.
