The Taming of The Shrew: Third Series (Arden Shakespeare)

William Shakespeare

The Taming of The Shrew: Third Series (Arden Shakespeare) William Shakespeare

The Taming of the Shrew is unique among Shakespeare's plays and is a perennial and compelling success in the theatre. Its reception is marked, however, by ongoing polarized debate over the meaning and worth of the play. This edition disengages Shakespeare's exuberant and disturbing marital farce from the tangled history of its reception. It views the two sixteenth-century Shrew plays as textually independent but theatrically interdependent and so includes the full text of *The Taming of A Shrew* in an appendix.

While the Introduction and Commentary focus on the critical and theatrical debate surrounding the play, the original and comprehensive editing of the playtext makes available a 'different' Shrew, more open to the reader's interpretation than is usually the case.

For more than a century educators, students and general readers have relied on The Arden Shakespeare to provide the very best scholarship and most authoritative texts available.

The Third Series editions' added emphasis on all aspects of Shakespeare performance extended the Arden editions readership to also become the preferred text for theatre professionals.
