Richard John Cunliffe

A Lexicon of the Homeric Dialect: Expanded Edition Richard John Cunliffe

For nearly a century, Richard John Cunliffe's *Lexicon of the Homeric Dialect* has served as an invaluable resource for students and scholars of Homer's *Iliad* and *Odyssey*. As both an English-Homeric dictionary and a concordance, the *Lexicon* lists and defines in English all instances of Greek words that appear in the two epics. Now, with the inclusion of Cunliffe's "Homeric Proper and Place Names"—a forty-two-page supplement to the *Lexicon*—this expanded edition will be even more useful to readers of Homer.

In his original preface to the supplement, Cunliffe explained that proper and place names had to be excluded from the *Lexicon* "chiefly on the ground of expense." Although the *Lexicon* has enjoyed perennial popularity, scholars have long lamented the absence of "capitalized" name-forms in the *Lexicon*. By consolidating the two works into one handy single-volume format, this expanded edition fills the only gap in Cunliffe's indispensable reference.

In his preface to the expanded edition, James H. Dee explains the benefits of uniting the two dictionaries. In addition, Dee provides a brief list of errata and a helpful key to Cunliffe's system of referencing the poems according to Greek letter.

Helen Elder:

This A Lexicon of the Homeric Dialect: Expanded Edition is great guide for you because the content that is certainly full of information for you who also always deal with world and possess to make decision every minute. That book reveal it data accurately using great organize word or we can declare no rambling sentences inside. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tough core information with beautiful delivering sentences. Having A Lexicon of the Homeric Dialect: Expanded Edition in your hand like finding the world in your arm, info in it is not ridiculous a single. We can say that no reserve that offer you world in ten or fifteen tiny right but this publication already do that. So , this is good reading book. Hello Mr. and Mrs. stressful do you still doubt that?

Alice Ybarra:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this A Lexicon of the Homeric Dialect: Expanded Edition can make you really

feel more interested to read.
