Cult of the Vampyr K. R. Rubin

In the small town of Havenhill, Ben Ruden returns from State University, in order to start his new life. As mysterious events begin to unfold, Ben is suddenly drawn into the middle of an age old battle. The battle between the Wiccan Nation and a long-thought defunct sect, "The Cult of the Undead Gods", apparently still rages on. As he discovers that one of the factions consist wholly of Vampires dead set on ushering in the end of Humankind, it appears that Ben and a handful of townsfolk called "The Nine" may be mankind's last line of defense against "The Final Harvest."
