Diamonds and Cole: Cole Sage Mystery #1 (A Cole Sage Mystery) Micheal Maxwell

In the first Cole Sage book, we find Cole at the low point of his career. In the past, Cole a Pulitzer Prize winning journalist, worked for The New York Times, The Wall Street Journal, and Time Magazine. Now, he's returned to the paper where he started his career, The Chicago Sentinel. Instead of writing the big stories, he's doing the work of a rookie reporter. His "big story of the day" is a cat caught in a tree. During its rescue, the cat's owner takes her Good Samaritan neighbor hostage. Cole witnesses something so disturbing it reawakens the journalist's desire to write again.

Returning to the paper, Cole finds a desperate message asking for help from Ellie, one that got away. The one that has continually haunted his life. Cole drops everything and flies to California. He must find what would make her so desperate, she would call him after so many years. Cole finds her terminally ill, and abandoned by her husband. He discovers while Ellie was heavily medicated, she mistakenly signed a Power of Attorney. Now her estranged daughter Erin's inheritance, won't go to her, but her abusive step-father. Cole vows to find the girl and right the situation.

The path to keeping his word is blocked at every turn by the husband who abandoned her, his shady real estate deals, violent con men, street thugs and the lure of a fortune in diamonds that unite them. The anger, sorrow, and crippling guilt of twenty years fires Cole's drive to keep a promise, that in the end, will heal and return the soul to the great journalist.

Beaten, bloody but determined, Cole Sage conquers greed and hatred with a strength that only love, and a will as hard as diamond, can achieve.

The Cole Sage Series has captured the imagination of readers worldwide. All six books in the series consistently get top ratings from reviewers.

Micheal Maxwell has found a niche in the mystery, suspense, genre that gives readers an everyman hero, short on vices, long on compassion, and a sense of fair play, and the willingness to risk everything to right wrongs.

The Cole Sage Series departs from the usual, heavily sexual, profanity laced norm, and gives readers a character driven stories, with twists, turns, and page turning plot lines, but most of all a hero they can relate to and root for with each new case he finds himself involved in.
