The Sacred Desert: Religion, Literature, Art and Culture David Jasper

"The Sacred Desert" is a reflection on the role of the desert in theology, history, literature, art and film. This book discusses figures as diverse as Jesus, the early Christian Desert Fathers, T.E. Lawrence, T.S. Eliot, Georgia O'Keeffe, Wim Wenders and Jim Crace. It makes connections across millennia of desert literature; deepens the reader's understanding of the desert as a real place, as an interior space, and as a textual site; and, concludes with comments on the recent conflicts in Iraq. It is written in a readable and engaging style.
