Rightly Dividing the Word of Truth C. L. Chapman

The Bible *is* the word of God. In *Rightly Dividing the Word of Truth*, author C.L. Chapman helps Christians understand and embrace the life messages and lessons contained in the Bible. Delivering timely information, this guide is divided into two books. The first book, "On Defense," discusses how to discern the difference between sound Biblical information and erroneous misinformation. It illustrates both the errors and the intended misinformation about the Bible and its contents and demonstrates how to deal with both the misinformation and those who spread it. The second book, "Reaching Forth," explains how to glean the basic information needed to grow, mature, and profit spiritually from the Bible and its message in order to become both victorious and fruitful in the Lord. Chapman teaches that the Bible does not need decoding; it only needs to be understood and its message embraced. It is the word of God that produces life, health, peace, victory, prosperity, deliverance, and abundant blessings for believers even in these tumultuous end-times.
