Route 66 by Harley Davidson: An American motorcycle road trip.

The Colorado Plateau is 200 million years old (give or take a day), and it took 17 million years for the Colorado River to carve a channel into it which is universally known as 'The Grand Canyon'.

Over the border in Utah, Monument Valley's imposing formations range in height from 400 to 1,000 feet and are up to 215 million years old.

They would have to wait no longer – I was on my way.

I am a 5 foot 11 inch carbon based life form (with an obsession for the film 'Electra glide in blue') and, with the age of 50 rapidly approaching, I was about to fulfill a 33 year desire to ride through Monument Valley on a Harley Davidson.

- But how do you go about planning the trip of a lifetime?
- Where do you get the Harley, for a start?
- Whose expertise can you tap into for conveniently located accommodation which won't break the bank?
- What adventures will you have on the trip, and who will be sharing them with you?

Ride with me through Los Angeles, Palm Springs, the Joshua Tree National Park, Laughlin, Oatman, Route 66, Seligman, the Grand Canyon, Monument Valley (Kayenta), Bryce Canyon, Zion National Park, Las Vegas, and many other waypoints.

It's my intention to both inform and amuse you, so climb on board and you'll arrive in Las Vegas wearing a bandana and with nearly 1500 miles of experience on the south west America roads behind you.
