## **Vampire Suspense Boxed Set (4 in 1)**

### **Book One: Memory Bites**

A young boy hovers near death in a hospital room, his overly doting mother at his side and a calming voice that he hears in the mist of his unconscious mind. He recovers and is visited by the mystery woman. The boy goes through some major life changes including being allowed to go to school like regular kids and getting in his first fight. And, as he grows closer to his strange friend more changes keep coming.

The sickly boy grows to be a strong, handsome and successful doctor, full of unlimited promise. But, the only thing he can focus on is how he feels about the woman of his dreams. Like most young couples, they face obstacles to their happiness but how many of those other couples can include the fact that one of them is a very old, natural born vampire?

### **Book Two: Memories Bite Harder**

Annalisa's quiet but quite resolute refusal of his marriage proposal hung in the air. He tried to ask several questions, all of them meaning the same thing and choked on every word. Finally, tired of his wild, staring eyes and the sound of the panicked thud of his breaking heart, she just sighed and disappeared leaving the room infinitely colder in her absence.

The lovely ghost vampire that he had fallen in love with to the point of nearly throwing away his entire career after being rejected by her was a child killer.

### **Book Three: Memories Fade in the Light of Love**

The last book in the Memories Bite series finds Peter Purcival Prescott facing down not only an enemy that he might not be equipped to handle but some information from his past that might be equally difficult to deal with. His mother has been hiding a good bit from him beyond the identity of his father and it all comes bubbling up partially during a lucid dream/memory exploration session and then through a final confrontation where Peter faces the strangest and most dangerous of family reunions ever.

## **Book Four: Thirst for Love**

Ronan is a creature of the night and has been for quite some time. One night, as he's searching for his next kill, he spots Adara working at her desk in a bookstore. The result is immediate infatuation. He follows her home that night and as she's sleeping he explores her apartment, trying to learn everything he can about her. The next night, he shows up at her store before it closes and purchases a book from her just so he can talk to her. He continues to follow her and watches in horror as she gets struck by a car but is unable to save her. Realizing he has one of two choices—to let her live or to change her—Ronan makes the decision to turn her into a vampire.

Adara wakes up to discover that she is now a creature of the night. The vampire who changed her is still with her and he begins to teach her how to live her new undead life. After sometime, Adara realizes she's bored maintaining the life she had when she was alive. Together they decide to travel to Europe.

Along their journey, the two find they have a lot in common and explore each other's bodies. Their times together in the bedroom are incredible and Adara cannot believe her luck in ending up with Ronan. Together, they explore Paris in every way possible.
