What They Don't Tell You, Second Edition: A Survivor's Guide to Biblical Studies Michael Joseph Brown

Biblical studies courses in college and seminary are not the same as Sunday school classes, a realization that can be challenging for many students. This popular textbook by Michael Joseph Brown helps students navigate the unfamiliar terrain of biblical studies. Brown provides basic information about the Bible and biblical criticism. He defines the jargon and presents the variety of perspectives students will encounter in the classroom. This new edition has been updated to account for changes in biblical scholarship since the first edition was released in 2000. He has also added several new rules of thumb, a discussion of contextualized forms of biblical interpretation, and an appendix with suggestions for getting started on the task of exploring and interpreting biblical texts. This helpful guide will prepare students for the oft-disorienting experience of analyzing and engaging the Bible in academic settings.
