A Penny's Worth (Fingerpress Life Stories) Nancy DeRosa

Penny always knew she had been short changed right from the start. Her mother decided from an early age that Penny would never amount to much. Already in her late thirties, lonely and unhappy, Penny looks set to fulfil her mother's prophecy. But then she takes control... one small step triggers a series of changes, and she begins to experience the life she has longed for. Most importantly she stops listening to anyone who tells her she can't do it, because Penny is worth so much more than that. A Penny's Worth is a fun, fast-moving, wise-cracking tale of self worth. A highly rewarding read.
