Hello, My Love (aka: A Modern Love Story) (Between Two Worlds Book 1) Evy Journey

Elise Halverson is a bright, beautiful law student with a promising career ahead of her. The last thing she needs is an attraction to Greg Thorpe. He's famous, for one—the young owner of a successful internet business. He's tall, dark, and good-looking. But he's also getting married, which should automatically discount him. But she can't seem to help feeling drawn to him.

Greg feels the powerful pull between them, as well. She's so unlike all the women he's been attracted to before. He doesn't want to hurt her. On the night before his wedding, he finds himself finally giving in to what they both want.

Two years later they reunite but their relationship is tested again. For one, Greg is in for a surprise. And a person from their past seems intent on punishing them both. Can they finally get past their obstacles, internal and external, and find a way to be together?

A delicious romance with a literary slant, spiced with a twist of whodunit.
