“A woman may tempt the eye in public, but a man tames a women’s fierce beauty in private...”

Samantha Kegan dreams of someday being a fashion designer, but for now she has her hands full working as a secretary for Claire Mangel, the tough headed senior editor of NuTrend magazine. So when one of the models gets sick and is unable to attend the season’s biggest fashion show, her demanding boss orders Samantha to replace her and walk the runway as "Blaze", an order Samantha dares not refuse. She manages to pull off the masquerade by putting on a naughty, sexy persona as Blaze, catching the eye of famous French Designer – Jean-Pierre Chasseur.

For nearly a year Jean-Pierre Chasseur has been looking for the right model to serve as the muse and public face of his "Fierce Beauty" bondage-themed fashion line. When he sees the glorious Blaze walk down the runway, her ripe curves and saucy moves convinces him she's the one. But unbeknownst to Samantha, modelling isn't the only thing the designer wants from her. What happens when she discovers his hidden desires lurking under the surface? Will she submit to the demands of her new boss in every way he requires?
