When Butterflies Cry: A Novel Ninie Hammon

A soldier returns to find his wife in his brother's arms. And that's not even the worst thing he's come home to.

Just so you know going in—that dam holding back a 300-million-gallon lake on the mountainside above the little town of Saddler Hollow—that dam's going to blow.

Grayson Addington comes home to Saddler Hollow, West Virginia, from Vietnam a broken man, ravaged by post traumatic stress syndrome, a chaplain who left his faith in the jungle mud with his massacred unit. His wife, Piper, doesn't know her husband anymore. In his absence, she turned to his brother Carter for support. Now, she must choose between them—and Carter will stop at *nothing* to have her.

And into this family torn apart by jealousy, deceit and clan loyalties comes a mysterious little girl. Maggie, a battered child with amnesia, shows up on the Addington's front porch and instantly bonds to Sadie, Piper and Grayson's cripplingly shy toddler. When Maggie runs away and takes Sadie with her, the warring brothers must team up to search for them.

Is it possible that something more than chance brought the child called Maggie to this wounded family? And could it be that nothing less than destiny will be fulfilled by her single, courageous act of love?

From bestselling suspense author and award-winning journalist Ninie Hammon comes this spellbinding story of ordinary people whose tangled lives are marked by the specter of an impending disaster.

With its cast of rich, believable characters, ever-tightening tension and Hammon's trademark dusting of "the unexplainable," *When Butterflies Cry* will keep you turning pages far into the night.

Interview with the author:

Q. What's so special about *When Butterflies Cry*?

A. It's real life on paper. It's been a Kindle bestseller because the characters in the novel come to life on the page—like the family next door in a small town. The story is gripping, the action nail-biting.

Q. Is this a Christian book?

A. There's no religion in it. But there is spirituality--themes of love and sacrifice that touch the soul of readers of any faith—or no faith at all.

Q. Why should readers give this book a try?

A. Because it's a book that will break your heart, and then put it back together again.

***Amazon tags: women's fiction religious family life, marriage small town secrets, disaster mountain mystery, psychic paranormal telepathy, inspirational suspense thriller, psychological supernatural military war, contemporary religion spirituality parenting ***

From reader reviews:

Walter Johnson:

Precisely why? Because this When Butterflies Cry: A Novel is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such remarkable way makes the content interior easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This amazing book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking means. So , still want to hold up having that book? If I have been you I will go to the e-book store hurriedly.

Heather Jones:

Are you kind of active person, only have 10 or even 15 minute in your time to upgrading your mind proficiency or thinking skill also analytical thinking? Then you have problem with the book as compared to can satisfy your limited time to read it because all of this time you only find book that need more time to be learn. When Butterflies Cry: A Novel can be your answer mainly because it can be read by an individual who have those short time problems.

Barbara Lewis:

Is it an individual who having spare time in that case spend it whole day by simply watching television programs or just lying on the bed? Do you need something totally new? This When Butterflies Cry: A Novel can be the answer, oh how comes? A book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

Lois Huseby:

That e-book can make you to feel relax. That book When Butterflies Cry: A Novel was vibrant and of course has pictures on there. As we know that book When Butterflies Cry: A Novel has many kinds or category. Start from kids until teens. For example Naruto or Investigation company Conan you can read and believe that you are the character on there. Therefore , not at all of book are usually make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for yourself and try to like reading that.
