Being Mortal: Get An In Depth Summary Of Atul Gawande's Masterpiece!!

Atul Gawande, a renowned surgeon and writer, has shown his experiences related to medical practice and shaped his findings in his book "Being Mortal" which deals with people facing aging, illness and ultimately death. The writer provides useful information and suggestions relating to improving life standards of the elderly when they face death at the medical care units.

The book is worth reading as it attracts the readers as they go through the various chapters. Basically, the book is a literary work about author's own experiences, research and his insight into dealing with plight of elderly towards death at medical care facilities. Meanwhile the author comes up with valuable suggestions to improve life standards of the elderly facing death. The writer wants to give the old people autonomy and freedom so that they may leave this world peacefully.

Over all, the book is engaging and doesn't let the readers go without its thorough reading. This is a very useful contribution for those who are related to the medical profession and healthcare and for general readers as well.
