## **Desperate: Hope for the Mom Who Needs to Breathe** Sarah Mae, Sally Clarkson

Desperate is for those who love their children to the depths of their souls but who have also curled up under their covers, fighting back tears, and begging God for help. It's for those who have ever wondered what happened to all their ideals for what having children would be like. For those who have ever felt like all the "experts" have clearly never had a child like theirs. For those who have prayed for a mentor. For those who ever felt lost and alone in motherhood.

In Desperate you will find the story of one young mother's honest account of the desperate feelings experienced in motherhood and one experienced mentor's realistic and gentle exhortations that were forged in the trenches of raising her own four children.

Whether you are a first time mom, or an experienced mom, Desperate will inspire you to be a part of the ultimate goal of the book, to be a part of the no-more-desperate-moms movement.
