**Guatemala: El Martirio de una Reina y la Guerra de la Vergüenza (Spanish Edition)** Marta G. González Molina

Después de la Revolución de Octubre de 1944, un tema aún pendiente en Guatemala, surgió un poco más de respeto y oportunidades para la mujer. Debido a los avances democráticos del presidente Jacobo Arbenz la CIA lo derrocó en 1954. El 13 de noviembre de 1960 se alzó en armas un grupo de militares jóvenes, motivados por la revolución cubana. Así surgió el conflicto armado más grande y desconocido en América Latina. Las historias de persecuciones y aniquilamiento de intelectuales, profesionales, políticos, estudiantes universitarios y de educación media, sindicalistas y trabajadores, incluidas las mujeres en todas las áreas, se desvanecieron ante las masacres de poblaciones campesinas durante 1970-1995. A este olvido contribuyeron los Acuerdos de Paz firmados en 1996. Asimismo, poco se ha dicho porque poco se sabía sobre la vida, pasión y muerte de Rogelia Cruz Martínez, Miss Guatemala 1959, estudiante de Arquitectura que colaboró con la guerrilla. El silencio y el miedo sembrado por el ejército de Guatemala fueron los mayores contribuyentes. Este ensayo, fruto de un gran esfuerzo a lo largo de muchos años, va dirigido a dignificar su nombre; a denunciar, una vez más la impunidad, que en la actualidad es la causante de los feminicidios de niñas y mujeres, y comprender cómo y por qué Guatemala llegó a ser un Estado fallido.
