Hard to Kill: a Hard Targets novel Wendy Byrne

Trained as children to become assassins by the infamous Goren Petrovich, Sabrina Shaw and her two brothers have had a less-than-normal upbringing. After escaping his clutches, Sabrina and her brothers have tried to make a normal life for themselves. Now Sabrina works for an organization called The Alliance, specializing in the kind of jobs that no one else can or wants to do. Her current assignment: find the daughter of a prominent politician who has disappeared, categorized as a runaway by the authorities. It seems simple enough, until Sabrina uncovers the girl may have been the victim of a kidnapping that goes far beyond ransom requests. Now Sabrina must put her training to the test as she infiltrates a sex trafficking ring operating in Europe in order to find the girl...all while dodging a mysterious FBI agent and the demons from her own past.

ABOUT THE HARD TARGETS TRILOGY:

Goren Petrovich was an infamous KOS agent in war-torn Yugoslavia, known for his ability to turn orphaned children into highly trained government assassins. One of his most notable protégées was Anya Danielovich (from the novel *Play Nice* by Gemma Halliday). But after the KOS disbanded and Petrovich fled to the U.S., he continued his training "academy"—this time for personal profit. Three of his talented U.S. pupils: Sabrina, Jake, and Max Shaw. But when the siblings break from his grasp and attempt to start over, living normal lives that have nothing to do with guns, death, or lies, they learn that you can never really escape your past...
