Husband Hunting Made Easy : And Other Miracles for the Modern Gay Man Patrick Price

The modern gay man is his own best friend, has healed his inner child, is in touch with the warrior within, has memorized the *Kama Sutra*, and owns a little black book that would make Casanova jealous. Why, then, do so few of them have the house, dog, Range Rover, and "husband" that so many yearn for?

Husband Hunting Made Easy finally reveals the secrets to finding, getting, and keeping the husband of your dreams. From the basics ("What is a husband and why do I want one?") to the advanced course ("In-laws-how not to kill them"), this is the everything-you-need-to-know guide. From blind dates ("Hint: Never let Mom set you up") to dress ("A thong is always wrong!") to avoiding pathetic opening lines ("Care to lambada?"), Patrick Price leads you past the pitfalls and pratfalls of landing the (nearly) perfect man.
