## **The Assassination of Michael Collins: What Happened at Béal na mBláth?** S M Sigerson

Non-fiction Biography / history Ireland - War of Independence/Civil War Description: "Sigerson's work, obviously written from the heart, is a valuable contribution to the literature on Michael Collins, and should be available in any self-respecting Irish library. " - TIM PAT COOGAN A startling new perspective on Ireland's most notorious "cold case": the fatal shooting in 1922 of Michael Collins, Commander-in-Chief of newly-independent Ireland. Sigerson's controversial reconstruction of the ambush may be shocking to some: yet demonstrably fits the eyewitness accounts. This is the first re-examination of Collins' mysterious death in decades; carrying on where John Feehan's landmark edition of 1991 left off. It offers the most complete overview of the evidence ever published.
