She could never have foreseen that even now, centuries later, he will be hunting her across time, determined to claim payment for saving her life. Bess continues her mother's healing work, but is forced to move frequently to protect the secret of her immortality, and to evade Gideon. As Dr Eliza Hawksmith of the Fitzroy Hospital he pursues her through Victorian London. When she is nurse Elise Hawksmith he dogs her footsteps in the dark chaos of Passchendaele in 1917. In the present day she finds a peace of sorts and begins to believe that the danger might at last have passed.
