The Dance Gods: A New York Memoir Kenny Pearl

When Kenny Pearl arrived in New York City, determined to succeed as a dancer, he was penniless, friendless and jobless. His memories shine against the backdrop of the turbulent '60s and '70s, including Vietnam War protests, the military draft and the rampant crime that once plagued the city. From humble beginnings in the hippie-populated Lower East Side, to performing with the greats of the New York modern dance scene-he danced with the companies of both Martha Graham and Alvin Ailey-Pearl's life is one of tenacity, hard work and passion. This is the engaging story of the hurdles he faced on his unique journey and the remarkable people he met along the way.
