## Articles of War: A Collection of American Poetry About World War II

The poems in ARTICLES OF WAR, the first anthology of American poetry about World War II, span a fifty-year period, including some written before the war began and some written by those who know the war only through their families' memories. Through the words of fifty-two poets, ranging from W. H. Auden, John Berryman, Marianne Moore, and Robert Hayden to William Trowbridge, Mary Jo Salter, and Andrew Hudgins, ARTICLES OF WAR creates an indelible record of America's response--emotional and imaginative, personal and public--to a war that changed the world forever.
