Devil's Food (Corinna Chapman Mysteries) Kerry Greenwood

If there's one thing that Corinna Chapman, baker extraordinaire and proprietor of the Earthly Delights Bakery, can't abide, it's people not eating well, particularly when there are delights like her very own, just-baked, freshly buttered sourdough bread to enjoy. So when a strange cult which denies the flesh and eats only famine bread turns up, along with a malnourished body, Corinna is very disturbed indeed. On top of that, her hippie mother, Starshine, has turned up out of the blue, hysterical that Sunlight, Corinna's father, has absconded to Melbourne with all their money and a desire for a new young lover. Someone is poisoning people with weight loss herbal teas, and then there are odd things happening at the nearby Cafe Vlad Tepes, which attracts a very strange clientele indeed. Altogether, it's a delicious recipe for murder, mayhem, and mystery.
