As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
