But with a wedding to plan and a whole heap of charity work to organise, she could do without the reappearance of her childhood sweetheart, Jonny Sanders. He's rich, he's better looking than she remembers and he reminds her of all those times she'd rather forget.

When a flippant comment made during a hospital visit ends up as headline news, suddenly everything is in turmoil and Freya's life is in danger!

Could her past be coming back to haunt her?

Who is sending her hate mail?

And where the hell are her 'Wild Wednesday' pants?
