Edgar Rice Burroughs

The Moon Maid by Edgar Rice Burroughs from Books In Motion.com Edgar Rice Burroughs
In the late twentieth century, Admiral Julian 3rd can get no rest, for he knows his future. He will be reborn as his grandson in the next century to journey through space and make an ominous discovery inside the moon; he will live again in the dark years of the twenty-second century as Julian 9th, who refuses to bow down to the victorious Moon Men; and as Julian 20th, the fierce Red Hawk, he will lead humanity's final battle against the alien invaders in the twenty-fifth century. The Moon Maid is Edgar Rice Burroughs's stunning epic of a world conquered by alien invaders from the moon and of the hero Julian, who champions the earth's struggle for freedom, peace, and dignity.
