Women in Combat: Report to the President : Presidential Commission on the Assignment of Women in the Armed Forces (Ausa Institute of Land Warfare)

With its review of existing laws and policies and the commission's recommendations for the future, this book is a useful resource for anyone interested in one of the key women's issues of the 1990s. It covers divisive issues such as fitness/wellness standards, occupational physical requirements, basic training standards, parental and family policies, pregnancy and deployability policies, combat roles for women, ground combat, combat aircraft, combatant vessels and conscription. Appendices include controversial statements submitted for the record, current laws and policies, the results of the distinguished panel's fact-finding research and survey research.
