Packed with tools to enhance your course, the Resource Center now includes the exciting new Art Studio, an easy-to-use online tool that enables you to efficiently critique students' submissions and grade and track assignments online without the hassle of e-mailing, receiving, and managing large files. It's also a great way for students to interactively comment on the work of their peers. Icons in this book prompt students to access the Resource Center's many additional features, including topically organized sketching activities, drawing comprehension exercises, and a "Discover Drawing" compilation of updated web links featuring descriptions of applicable artwork, artists, museums, studio spaces, and tutorials on drawing techniques.
