## The SAGE Handbook of Conflict Resolution

Conflict Resolution is one of the fastest growing academic fields in the world today. Although it is a relatively young discipline, having emerged as a specialized field in the 1950s, it has rapidly grown into a self-contained, vibrant, interdisciplinary field. **The SAGE Handbook of Conflict Resolution** brings together all the conceptual, methodological, and substantive elements of Conflict Resolution into one volume of 35 specially commissioned chapters. The **Handbook** is designed to reflect where the field is today by drawing on the contributions of experts from different fields, presenting, in a systematic way, the most recent research and practice.
