The Study of Law: A Critical Thinking Approach, Third Edition (Aspen College) Katherine A. Currier, Thomas E. Eimermann

The Study of Law is a sweeping, intelligent overview of all the key concepts covered in a typical introduction to law course. A critical thinking approach encourages students to interact with the materials through hypotheticals, examples, and well-designed questions. The text is divided into two parts, reflecting the order of topics addressed in a typical course. The first part, Introduction to the Legal System, presents the sources and classification of law, the structure of the court system, and an overview of litigation. The second part, Basic Legal Concepts, covers the fundamental analysis and interpretation of the law as well as substantive law. The chapters on substantive law use carefully edited cases to teach students how to read and analyze the law. **The Study of Law** teaches students the basic skills necessary to understand statutes and court cases, and effective pedagogy reinforces the accessible and well-organized text. Appendices address the U.S. Constitution, Fundamentals of Good Writing, and NetNotes.

The **Third Edition** features updated cases and incorporates new developments in the law. Legal reasoning exercises similarly reflect new cases, and Web exercises accompany this revised edition.

From reader reviews:

Christine Wormley:What do you with regards to book? It is not important along with you? Or just adding material when you require something to explain what you problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is make one feel bored faster. And you have time? What did you do? Everybody has many questions above. The doctor has to answer that question since just their can do that will. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this particular The Study of Law: A Critical Thinking Approach, Third Edition (Aspen College) to read.

John Pierre:Reading can called thoughts hangout, why? Because while you are reading a book particularly book entitled The Study of Law: A Critical Thinking Approach, Third Edition (Aspen College) your thoughts will drift away trough every dimension, wandering in each aspect that maybe unknown for but surely can become your mind friends. Imaging each and every word written in a e-book then become one type conclusion and explanation this maybe you never get prior to. The The Study of Law: A Critical Thinking Approach, Third Edition (Aspen College) giving you one more experience more than blown away your thoughts but also giving you useful information for your better life within this era. So now let us present to you the relaxing pattern the following is your body and mind are going to be pleased when you are finished reading it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

Kathryn Hill:Is it you actually who having spare time then spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This The Study of Law: A Critical Thinking Approach, Third Edition (Aspen College) can be the solution, oh how comes? It's a book you know. You are consequently out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?

Gerald Reed:As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Study of Law: A Critical Thinking Approach, Third Edition (Aspen College) can make you experience more interested to read.
