Conquering the Divide: How to Use Economic Indicators to Catch Stock Market Trends James B. Cornehlssen, Michael J. Carr

Many writers focus on economy time series, but James B. Cornehlssen and Michael J. Carr are the first to outline a comprehensive, rigorously tested, easy to understand model. In *Conquering The Divide*, the authors provide documentation of their model's validity. Using statistical verification, Cornehlssen and Carr don't dumb down the economy; they lay out its signals and indicators. Here, they offer a plan for risk assessment that shows you how to maximize returns, forecast inflation, and get out before big declines.
