Galaxy Nomads: Chronicles of the MacKenzie Clan Karen Elizabeth Brown

The MacKenzie clan is forced to flee from the devastating destruction of a supernova and is challenged to a ruthless game of survival. When all seems hopeless, a new generation arises to battle their worst enemy in a unique battle of wits. Will the MacKenzies survive betrayal, pirates and wormholes to the outer quadrants? Here they find a new race of people on the Patchouli planet where the female is Alpha. They learn wisdom from the mystics and seers on their jaunt through the universe and from across the galaxy two brothers are reconciled to each other. They experience love and hate in the Meridian sector when a prince is abducted and must be rescued before a cruel cousin steals the throne. An epic read that will send you spiraling at warp speed through all the MacKenzie generations.
