**The Majesty of God in the Old Testament: A Guide for Preaching and Teaching** Walter C. Kaiser Jr. This new book by a trusted Old Testament scholar directs the student and pastor to an aspect of biblical truth often lacking in contemporary preaching and teaching: God's unsurpassed majesty and greatness. Kaiser suggests that a key way to recapture this important doctrine in the pulpit is through the preaching of the Old Testament itself an oft neglected or mishandled discipline. By expositing ten great Old Testament passages that are rife with evidence of God's majesty, he shows how today's preacher might address this deficiency. He also shows how such exercises as word studies and historical/archaeological studies can be used to help pastors make the Old Testament relevant to their congregations.
